Happy Cinco de Mayo

Cinco de Mayo, or the fifth of May, is a holiday that celebrates the date of the Mexican army's 1862 victory over France at the Battle of Puebla during the Franco-Mexican War. The day, which falls on Tuesday,

May 5 in 2020, is also known as Battle of Puebla Day. While it is a relatively minor holiday in Mexico, in the United States, Cinco de Mayo has evolved into a commemoration of Mexican culture and heritage, particularly in areas with large Mexican-American populations. www.history.com

Manager's Minute

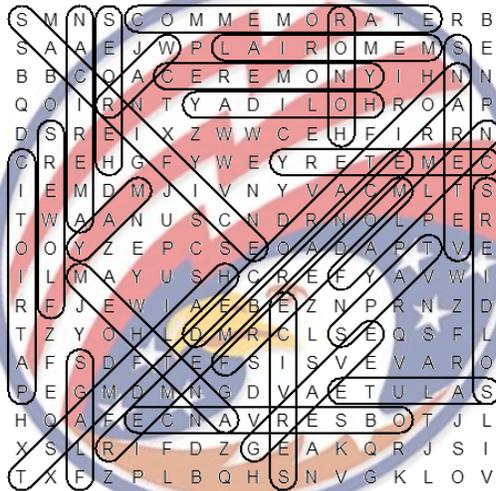

May is coming and I'm sure that we will still be in the midst of this Co-Vid 19 epidemic. While this is going on rest assured that we are an essential service and will be open. We are following all sanitary conditions. Steering wheels are covered and the techs are all wearing gloves. We wipe down every vehicle after service and we have a new individual lock box that allows you to drop off and pick up your keys after hours with a unique combination that only is known to you and, of course, us. The combination is adjusted for your individual number when in use. While we are running a little short-handed we are trying to get our close clients back and forth.

On exceptional cases we can arrange for pick-up and delivery but of course that is a service that must be pre-planned. We are in the middle of downtown and if you have to wait for your vehicle we allow you to walk to the parks or downtown. We are trying to alleviate people waiting in the office for everyone's safety. In short, to all of you be smart, be safe and God Bless!

Totally Trifling Trivia!

WHEN DID MOTHER'S DAY BECOME AN OFFICIAL U.S. HOLIDAY?

Answer • 1914

Holding celebrations to honor mothers is traceable back to the ancient Greeks & Romans.

They held annual festivals in honor of the mother goddesses Rhea & Cybele. The celebration closest to modern times that may have spawned what's become traditional Mother's Day is the early Christian celebration

known as "Mothering Sunday." The holiday originally fell on the 4th Sunday in Lent in the U.K. & parts of Europe. The custom faded over time eventually re-emerging in popularity as the American Mother's Day in the 1930s & 1940s. It was officially declared a U.S. holiday in 1914, however. Source: History.com

There are few American sporting events with the history & popularity of the Kentucky Derby. It's rich traditions, sipping a mint julep, donning a beautiful hat, and joining fellow race fans in singing "My Old Kentucky Home", transcend the Kentucky Derby from just a sporting event, making it a celebration of southern culture & a true icon of

Americana. The Kentucky Derby is the longest running sporting event in the United States, dating back to 1875. Regularly held on the first Saturday in May, this year's "Run For The Roses" has been rescheduled to Saturday, September 5th due to the coronavirus pandemic. This will be the first time since the 1945, due to the World War II, the event will take place outside of the regular May schedule.
